

SHEFFIELD THEATRES

Creative Partnership Callout - Together with the City

Sheffield Theatres are looking to work with Creative Organisations in the city to continue the co-design and curation of Creative Projects as part of Sheffield Theatre's community engagement work, Together with the City. We would love to hear from other organisations who are engaging with communities allowing valuable access to the Arts. The programme of work would have a strong focus on co-curation with communities and artists.

We are looking to co-produce with organisations who share the same ethos and passion in working with communities to make a difference. We will be devising and collaborating projects that can run between the months of January – March 2022 and can be variable lengths. All work will be exhibited, performed, and celebrated at our community festival on Wednesday 6 April at the Crucible Theatre.

If this is you, and you have exciting innovative ideas or projects you would like to evolve and discuss, we would love to hear from you.

Please email Sally, project manager at s.wilson@sheffieldtheatres.co.uk to arrange a chat by Friday 3 December 2021. We expect a more detailed plan to be developed and sent for approval – including a side of A4 and project budget by Friday 10 December 2021. All projects are planned to be agreed and signed off before Friday 17 December 2021.

We look forward to hearing from you!
