11.30am - 12pm Showtime! presents 'Out of this World'

Join us for a talent competition, where contestants are cosmic and the stage intergalactic. But with a clumsy team and talent tantrums it's looking more like 'lost the plot' than 'lost in space'! Will the show be ready on time?

2pm - 2.30pm Stand & Be Counted Theatre presents 'Together'

"Together we are strong, together we are brave, together we make noise." Children from across the globe have a plan to make the world a better place and it definitely involves dancing and computer games. Come and join our adventure manifesto!

3.30pm - 4pm Pinders Dance Productions presents 'Anything is Possible'

A combination of dance routines performed by young people, exploring the theme of believing in yourself. With the use of upbeat music and a lot of energy and passion, no matter who you are or where you come from, anything is possible if you put your mind to it!

4.30pm - 5pm Shadow-Play

A short film using light and shade to explore myths and stories which have created by children at the Adventure Playgrounds in Highfield and Pitsmoor.

5pm - 5.30pm Heeley Film Club presents 'Our Heeley'

Young people teamed up with film maker Paris North to create a short film about their neighbourhood and the newly formed Youth Club. See documentary-style film making, hands-on direction, camera work and interviewing skills.

WEDNESDAY 6 APRIL 1.30PM - 10PM

2pm - 2.40pm Side by Side present 'Awakening'

An exploration of how spring and new beginnings affect humans and birds. Perhaps there are more similarities between us and our feathered friends than we realise...

Follow the lives of teenagers as they imagine what lies ahead in a world that can seem ordinary, bizarre, frightening and magical.

6pm - 6.20pm The Arbourthorne Arts Women's group presents 'Everyone's Centre'
