REVIEW: I had the pleasure of staying with Maire & Norman at the start of 2023 and I couldn't have asked for more hospitable and generous hosts. Firstly, the accommodation was outstanding. I had the whole top floor to myself, complete with my own ensuite, TV, Wifi and Kettle facilities. It was spacious, clean, tidy and comfortable. They made sure my sheets were changed regularly, I had access to the washer and dryer and they also provided a very detailed handbook of the local area and amenities. It's a beautiful house and my hosts found the perfect balance of giving me private space to work and rest and also making me feel welcomed and looked after by offering me a roast dinner and glass of wine on a Sunday. The room is incredibly well priced for what you get and the local area in Crookes is wonderful - it felt very safe, family orientated and was also full of great independent bars, cafes and restaurants. They even allowed my partner to stay for 2 nights when she came to visit the show and refused to charge any extra!

Maire & Norman as hosts were charming people to get to know and a wonderfully kind couple; both of whom have a strong connection to Sheffield and the theatres, having worked there themselves. It was a very lovely touch that they booked tickets to come and see the show and have a drink with me afterwards. Over the 7 weeks I stayed with them they became really good friends and ones I know I will continue to stay in touch with. I couldn't recommend their beautiful home more as a perfect place to stay whilst working at Sheffield Theatres. I hope I get the chance to again soon! A big 5/5 from me!

The house is an Edwardian semi, right next to the woods in Nether Edge Conservation Area, a quiet neighbourhood. The house is quite big, so you have plenty of space/privacy without bumping into me all the time!

The loft room has a double bed, plenty of storage, and is tucked away on the second floor, so there's no traffic past your door and the room feels very private. There's a kettle in the room, so you don't have to make your way all the way to the ground floor for an early cuppa.

ACCESS: please be aware that there are steep stairs to the loft, so if you have any mobility issues, I recommend choosing the first-floor room.

The first-floor dual-aspect room is on the same floor as the bathroom and has lovely views of the garden. It has a new mattress and plenty of storage. You can park easily and for free on the street close to the house. It's a 5-minute walk down to the bus stop to town or it's about a 40-minute walk into the City from here, but it's all downhill! Cab to/from from the city centre is around £7

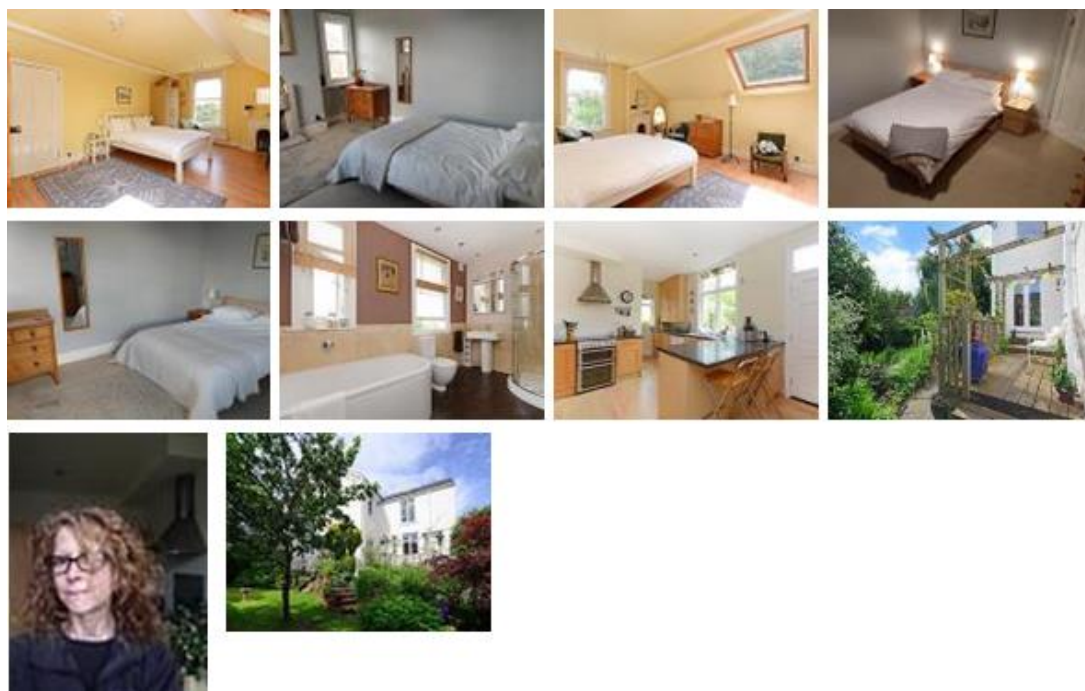

A polite and friendly dog also lives here.

This is a veggie house. It's awesome if you're veggie or vegan, but even if you aren't, you're fine to bring meaty takeaways or microwave meals in; I'd just prefer that you don't cook raw meat in the house.

Check-in from 3pm, check-out by 11am.

Large Bright double & spacious double single occupancy: £25 per night, £120 per week, £450 per month

Price for 2 guests sharing 1 room: £30 per night, £170 per week, £600 per month.

Hi, we're Chris and Lucy. We moved here in March 2017 and have been renovating the house. It's a lovely 5 bed Victorian house with lots of character and plenty of space for guests. Lucy works for Sheffield Museums and Galleries, near to the Theatres, so can help you get your bearings. Chris works part time in Manchester and part time at home. It's a lovely area on a quiet street, but within short walking distance to shops, bars, cafes. We're also a 10 minute drive to the Peak District!

Bathroom and kitchen facilities are shared with us and you have access to all kitchen equipment and basics. You're welcome to use our comfy living room as you please, equipped with Sky TV and PlayStation 4. Washing machine and tumble dryer available for use and we can provide towels. Outside washing line or inside clothes horse also available. Superfast Sky Wifi accessible throughout the house and all bills included. We have a large garden for you to enjoy in the sunny Yorkshire weather! We are both full time teachers so out of the house during the day, providing you with lots of privacy and your own space. You would be welcome to join us for any meals if scheduling allows, and we can provide lots of suggestions of things to do and places to go in the local area.

£60 per 3 nights (minimum) £110 per week
£400 per month

No smoking on the property. Unrestricted street parking available. Bike can be stored in garage if you are a cyclist. Less than a minute to nearest bus stop – directly opposite the house. Regular buses (every 5-10 minutes) take you directly to Lyceum Stage Door in 20 minutes. About £8 in an Uber.

We may have a dog when you visit. We foster Support Dogs in training, usually Labradors who are very good boys and girls. They spend all day at training school so unlikely you will be alone with the dog. Potentially well-behaved animals allowed – please discuss with us directly as depends if we have a dog at this time.

REVIEW: Ryan Heenan (Jersey Boys Tour, 2023): I loved staying at Lou and Pete's in Sheffield. They are impeccable, conscientious hosts and have a lovely home. A big highlight was the big country park next door, with the coffee cart and dog walkers galore. The commute couldn't be easier on the bus and hope to stay with them again soon!
